HOME OFFICE EXPENSE

In general, to qualify as an "Office in the Home", a portion of the home (or separate structure) must be used exclusively on a regular basis as (a) the principle place of taxpayer's business, which includes an area used by the taxpayer for administrative or management activities if there is no other fixed location where taxpayer conducts this activity, (b) a place of business used by patients, clients or customers, or (c) a place in connection with the business if using a separate structure that is appurtenant to, but not attached to the home. If an employee, the business use must be for convenience of the employer.
